D100

Standard wheelchair

The D100 is your ideal compact lightweight wheelchair for longterm or short term usage. Completely foldable (easy for transport when visiting places or when you need to store the wheelchair) and plenty of adjustment possibilities towards your own desires. We also offer an optional BZ8 (articulated legrest, self-correcting in length) for extra leg support or a B74 (drumbrakes operated by the accompanying person).

Products designed to suit you

Our basic principle is: the wheelchair must be adapted to you, not the other way around. That is why our wheelchairs are evolutive and an answer to your specific needs.

All types of wheelchairs can be adapted, have numerous options and can be fully personalized so that there is a wheelchair for every person. This is the result of our continuous research and experience since 1957.

Quality guaranteed

Regarding quality, the **D100** complies with the highest norms, laid down by certified test institutes in most European countries.
